Re: BPCT-910617KE
Channel 46
Panama City Beach, FL

Gentlemen:

On July 10, 1991, the Commission issued a public notice accepting for filing your application for a new commercial television station to operate on Channel 46 in Panama City, Beach, Florida. That notice also established August 15, 1991, as the date by which competing applications must be filed. [Public Notice, Memo No. 13869, Report No. A-172 (released July 10, 1991).] In response to that notice, Beach TV Properties, Inc. (Beach) and Bowers Network, Inc. (Bowers) submitted timely filed applications in conflict with your application. Accordingly, on December 20, 1991, the Commission issued a public notice accepting those two applications for filing and establishing February 4, 1992, as the deadline by which those applicants and you can file minor amendments, as a matter of right. [Public Notice, Memo No. 21124, Report No. B-159 (released: December 20, 1991).] That notice also set March 9, 1992, as the date by which Beach and Bowers must submit a hearing fee of \$6,760.00 or suffer dismissal of their applications.

The December 20 notice went on to say, "The above-described renewal applicants must also pay the hearing fee by that date." That sentence was incorrect and should have read, "The applicant of the previously filed applications in conflict with the applications on this list must also pay the hearing fee by that date." In other words, you must submit an original and two copies of a transmittal letter, accompanied by a completed FCC Form 155 and a payment in the amount of \$6,760.00, by 11:59 p.m. on March 9, 1992, to the Commission's lockbox bank at the following address:

Federal Communications Commission
Mass Media Services
P.O. Box 358170
Pittsburgh, PA 15251-5170

Hearing fee payments can also be made in person or by couriered-delivery up to 11:59 p.m. on March 9, 1992, at the location and in the manner specified in the "Mass Media Services Fee Filing Guide."

The FCC Form 155 must be appropriately filled out, including the name and address of the applicant and the file number of the application. When entering the file number, omit the letter prefix (i.e., "WPT") of the file number. The fee type code for commercial TV applicants is MVT.

To ensure proper credit of the payment, the hearing fee transmittal letter should identify the applicant, the application file number, and the city and state of the proposed facility. Failure to make the hearing fee payment in a timely manner will result in the dismissal of the underlying, pending application, pursuant to Section 1.1107(b) of the Commission's Rules.

Sincerely,
